Keene, New Hampshire. . . . Better Homes and Gardens Real Estate/The Masiello Group (BHGRE/Masiello), Northern New England’s largest independently owned real estate and home services company, has been named one of the top 75 largest real estate companies in the United States by *REAL Trends 500* — an annual research report that identifies the country’s largest and most successful residential real estate firms. This is the seventh consecutive year the company has landed in the top 100 of this highly regarded industry report, which ranks firms based on closed transaction sides.

“Our agents and staff do a phenomenal job, and being ranked at this level nationally speaks to how good they really are,” says Christopher J. Masiello, president and CEO of BHGRE/Masiello.
